

HOW WORKSTRIDE HELPS YOUR ORGANIZATION STEP UP SAFETY:

WorkStride Safety helps your employees learn how to work safely by recognizing behaviors that contribute to the prevention of unsafe working conditions.

IDENTIFY POTENTIAL SAFETY ISSUES

Encourage employees to report unsafe conditions or possible hazards in order to avoid future accidents.

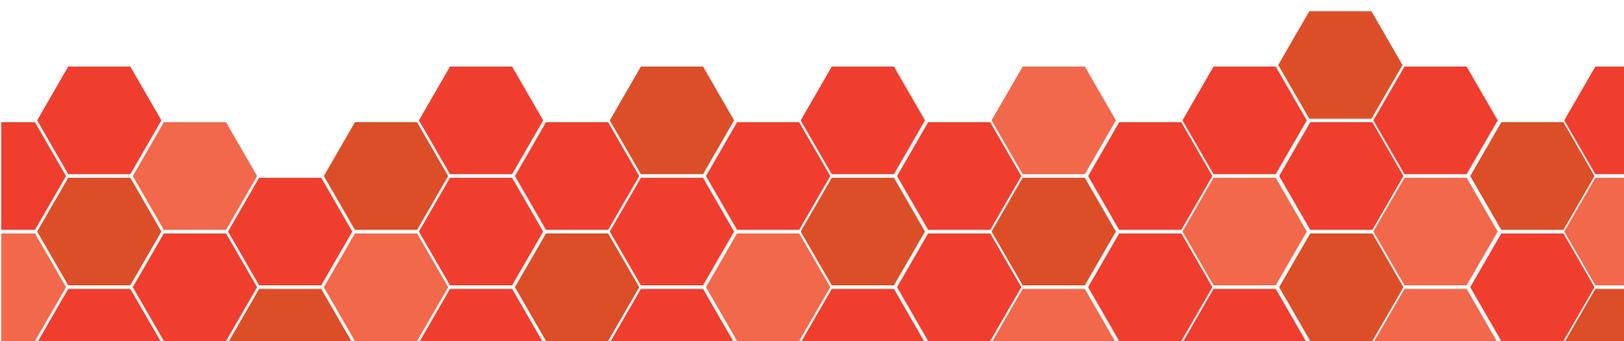

EDUCATE EMPLOYEES ON PROPER PROCEDURES

Keep employees up to date on the latest policies and procedures by posting content and administering quizzes.

REINFORCE SAFE BEHAVIOR WITH REWARDS

Use both monetary and non-monetary incentives to encourage participation and reward those who work safely.

TOP FEATURES:

TRAINING CENTER

Create custom training modules, upload existing content, or link to your learning management system. Completion of training can be tracked and linked to badging and rewards.

REWARDS MALL

WorkStride provides participants with a true retail shopping experience with almost unlimited choice. Alternative rewards such as cash, time off, or company merchandise are welcome.

NEAR-MISS MODULE

Employees can report potential safety issues via a custom web form. Pictures and videos may be uploaded for visual confirmation.

PROMOTIONS CENTER

Participants can view all available safety promotions and report issues under the appropriate initiative.

RECOGNITION WIDGET

Employees can nominate their peers for awards after observing actions that promote a safe work environment.

ADMINISTRATOR MODULE

Give administrators ultimate control with tools for managing users, site content, and functionality.

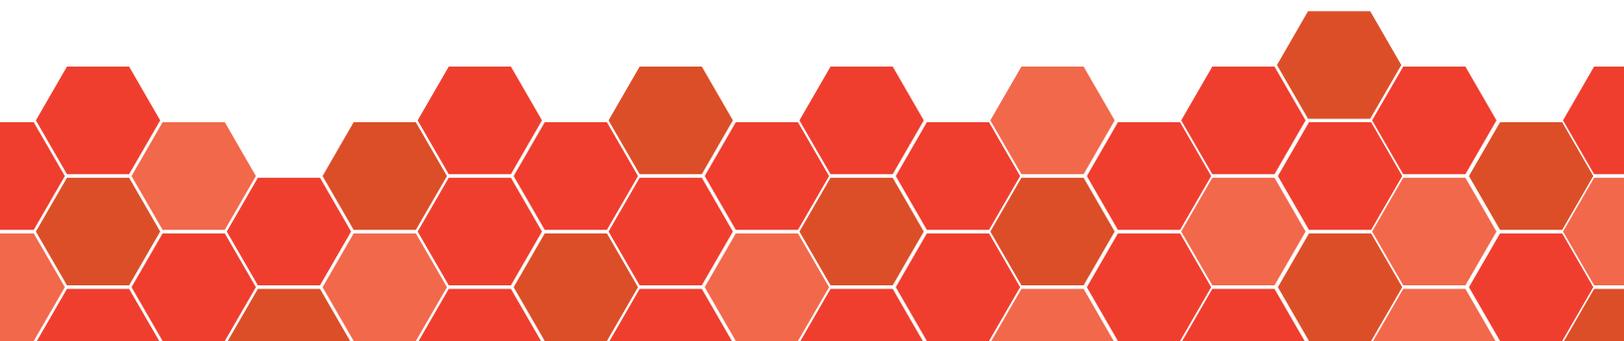

REPORTING

View participation by promotion with intuitive reporting that includes graphical callouts, custom filters, and CSV export.

INTEGRATION

Connect via API with third party providers for seamless data sharing. Single sign-on capabilities make the site accessible from the company intranet or other internal sites.

SERVICES INCLUDED WITH YOUR PROGRAM:
