

HOW WORKSTRIDE HELPS YOUR COMPANY STAY IN STEP WITH TRAINING

WorkStride Training creates interest and excitement in training through incentives, rewards, and gamification.

INCREASE PARTICIPATION

Make training more fun with incentives like badging, competition, social participation, and rewards.

KEEP ALL EMPLOYEES IN THE KNOW

Email or post branded communications to targeted groups to keep them up to date on the latest information.

INTEGRATE WITH LEARNING MANAGEMENT SYSTEMS

Link to existing training modules in your Learning Management System, track participation, and link to rewards.

TOP FEATURES:

COMMUNICATIONS TOOLS

System administrators or managers can send out branded communications to targeted groups using our user-friendly text editor. Newsletters or articles can also be posted to the website's home page and targeted to certain user types.

REWARDS MALL

WorkStride provides participants with a true retail shopping experience with almost unlimited choice. Alternative rewards such as cash, time off, or company merchandise are welcome.

TRAINING CENTER

Upload existing training modules, link to a learning management system, or create your own surveys and quizzes.

PROMOTIONS CENTER

Participants can view and access all available training challenges, such as quizzes or trivia.

BADGING/GAMIFICATION

Employees can earn non-monetary badges for completing training modules, attain higher levels, or gain access to additional incentives based on results.

ADMINISTRATOR MODULE

Give administrators ultimate control with tools for managing users, site content, and functionality.

REPORTING

View participation by promotion with intuitive reporting that includes graphical callouts, custom filters, and CSV export.

INTEGRATION

Connect via API with third party providers for seamless data sharing. Single sign-on capabilities make the site accessible from the company intranet or other internal sites.

SERVICES INCLUDED WITH YOUR PROGRAM:

ACCOUNT MANAGEMENT

Your dedicated Client Success Manager will be your single point of contact from day one.

IN-HOUSE CUSTOMER SERVICE

Our bilingual agents answer recipient inquiries via phone or email.

CONSULTATION

Your team will work with you to ensure best practices are incorporated into your program, review performance periodically, and make recommendations for improvements.

DESIGN AND DEVELOPMENT

A team of skilled in-house web designers and developers design, build, and configure your site according to your requirements.

TRAINING

Managers receive training on how to use the program during implementation, and custom user manuals are provided for all user types.
